I Can Hear Thanksgiving Book

I can hear a squeaky door opening.

I can hear soft music in the background.

I can hear a knife cutting the turkey.

I can hear children laughing.

I can hear people saying "I Love You".

I can hear dogs barking playfully.

I can hear grandparents telling of times past.

I can hear food bubbling.

I can hear a thundering football game on tv.

I can hear a spoken prayer of thanks.
